with all your heart, and do not lean on your own understanding. In all your ways acknowledge Him, and He will make straight your paths. Be not wise in your own eyes;

fear the Lord and turn away from evil. It will be healing to your flesh and refreshment to your bones.

Fear, revere God, having that high respect of God as the ultimate authority of life.

Proverbs 9:10-11 The fear of the Lord is the beginning of wisdom, and the knowledge of the Holy One is insight. For by me (wisdom) your days will be multiplied, and years will be added to your life.

Live life God’s way: to know it and do my best to live it.

Romans 12:2 Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect.

The Bible person of Job struggled with suffering. The book is actually a guide to help us in our own suffering. This Sunday we start a new Sunday teaching series, “#Whyme,” from Job and would love for you to join us.

Here’s How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

HOROSCOPES

ESOTERIC ASTROLOGY AS NEWS FOR WEEK APRIL 22 - 28, 2020

TAURUS, LYRIDS & THE RED OR BLUE PILL

The Sun has entered Taurus, anchoring the light of Aries, the "search light of the Logos". Taurus creates the Penetrating Light on the Path, by capturing the beam of light streaming forth from the point in Aries. Within the Light of Taurus is Ray 4 - the Art of Living Harmoniously. Taurus, the sign of the Art of Living asks us questions - what way of life in our country do we want to wake up to? We must ponder this, for we (humanity), as the Age of Aquarius unfolds, is now responsible for creating that reality (one's new country) together.

More questions. What do we give our allegiance to? What are we faithful to? Many intelligent people who previously questioned many things have now been swept up in fear, exhaustion and illness (the Matrix), having been mentally and emotionally manipulated by the Forces of Materialism. It takes great courage to step out of the Matrix....and choose which of the offered "pills" we will take - the red or blue pills offered to us.

Morpheus says to Neo (in the Matrix film) ...."This is your last chance. After this, there is no turning back. You take the blue pill—the story ends, you wake up in your bed and believe whatever you want to believe. You take the red pill—you stay in Wonderland, and I show you how deep the rabbit hole goes. Remember: all I'm offering is the truth. Nothing more."

As narrated, the blue pill allows one to remain in the fabricated virtual world of the Matrix (controlled reality); the red serves as a "location device" to locate the subject's body in the real world and to prepare him or her to be "unplugged" from the Matrix.

Once one chooses, the choice is irrevocable. In the film Total Recall (1990), choosing the red pill is "a symbol of your desire to return to reality." That point of choice is occurring now. Under Taurus, whatever we choose grows and takes shape.

Lyrind Meteor Showers - around midnight but especially in the few hours before dawn (Wednesday & Thursday), we can see meteor showers radiating from the heaven's 5th brightest star, Vega, in the constellation, Lyra the Harp. The light from the meteors will radiate down from the heavens in all directions and onto the Earth. Illuminating, with Taurus, the minds of humanity. May our illumined minds help us choose wisely.

ARIES: Home and work (north & south nodes in the sky), call to you simultaneously. You do your very focused best to accommodate both. Two directions imply a push/pull situation, creating opposition (which to choose

first), then resistance, before a synthesis and blending, a sharing and unifying field is created. How can this occur? Your very sign of Aries, the fire that initiates all things, will find a way via intuition. You already know how. Ask yourself, then wait for quiet answers. It's time to ponder the mysteries.

TAURUS: In these present times, as the reset, retreat, reorientation occurs, when our world as we know it finally slowed to a halt and our regular lives aren't available, you have been very aware of how to prepare for life on the edge - life with less comforts - while still maintaining the Art of Living. Continue with preparations - storing foods, medicines, daily life necessities that make life more livable. It's time to build that very large greenhouse.

GEMINI: You wonder about your life, where you are going, how to navigate through this strange liminal time, and what now and into the distant future are your responsibilities. Do you sense a wound, a heaviness, coldness and strictness permeating all interactions? This is temporary. Do something to make things warm and comforting so this distance doesn't continue. Cultivate trustworthiness and reliability, communication and gratitude every moment.

CANCER: If you're experiencing inflammation and pain, remember Turmeric is an anti-inflammatory. East Indian foods are best. Make dahl using ginger and pinches of cayenne and black pepper for warmth. The spices have health benefits: coriander, also for inflammation, contains magnesium; cumin aids in digestion; chilies have Vitamin C. Bloom the spices by sizzling them in ghee (clarified butter) first. These are nurturing and nourishing north node in Cancer and Juno in Libra health suggestions.

LEO: Share all that you have, know, feel and do with others is this spring season's task. As you share more of yourself, a new sense of service is created, which then creates an expanded sense of self as valuable and real. Is there contact, communication and emotional support with the outer world? It seems many things hidden and from the past are revealing themselves in daily life. You however can no longer stay hidden. You are Vesta, the light of life for others and the found object of self.

VIRGO: Is your creative self somewhat shrouded in a mist? Can you assess daily needs and priorities in terms of your creativity? Using our creativity become practical and then we see new goals emerging. Relationships too seem to be under a veil. How do these affect your daily life? Do you think about serving others during these isolated times? Serving is a Virgo task. The Tibetan says, "Out of duty, perfectly performed, will emerge those larger duties which we call world work." Always the world calls to us.

LIBRA: During this time of extreme work and responsibilities, notice your will, prudence, discipline, reliability, industriousness, patience, perseverance and focused attention to all that needed to be accomplished in service to humanity. Assuming in many cases, both the mother and father roles. Nothing stopped you, not Insecurity, inhibitions or extreme exhaustion. We award you a medal of excellence. Everyone sees you as perfect.

SCORPIO: There's a brilliant new and refined state of creativity available to you. Music, very important now, needs to be wherever you are. It is a constant source of renewal. Study, communication, teaching little ones, sculpting, horse tending and/or riding, seeking your next way of serving the wounded - all are past gifts you can again cultivate. Tend to mundane tasks carefully, recognizing and blessing the details.

SAGITTARIUS: Home, the many of them you've inhabited - here, there and everywhere - now assumes a more important reality. It is a place where wounds can be realized, embraced, tended to with care. It's a place from which you communicate to the world. Home is your sangha, sanctuary and retreat. Tend with constancy, care and authenticity to all the livingness around you. This creates within a sense of empowerment, a joy that heals the deepest of wounds.

CAPRICORN: Any tension and pressure you're feeling can be useful when tended to creatively. Know that a transformation of identity has slowly come your way. It has expanded your sense of self so that you know of your sterling gifts, your ability to cooperate in the face of extreme struggle. Teaching others to cooperate is your next step. Everyone sees you as resourceful and of great value. You answer to the needs of others. You are their harmony after chaos and conflict.

AQUARIUS: It's important to secure and safeguard your money and use it wisely. It's also important to share it, when needed, with care and in service. Your money should be used to safeguard your work and family. Invest in land, think about joining and/or building a community. Assess the world situation and be the first to communicate what you see. A new world coming with new laws & principles. It's your world. You will play a major part in its creation, stabilization and establishment.

PISCES: Past abilities and gifts, especially strength, emerge in your daily life. There are many gifts and talents and they are good. Wounds go into hiding for a while in order that others can be tended to. Be mindful of the ease with which daily tasks fall into a rhythm and ritual. Responsibilities may increase. Love increases too. Careful with how you invest your money. Be prudent while also constantly sharing. Listen only to your heart's desires. You may need a new little feline companion.

Bid submittals are by appointment only.

The bids will be opened via teleconference and read at 11:00 a.m. on the 5th day of May 2020. Pursuant to Executive Orders and given the current health concerns, members of the public can access bid opening by phone dial +1 (301) 715-8592 and enter the Meeting ID: 927-0846-3780. Your microphone will be disabled upon entry for the duration of the meeting. Members of the public may not attend the bid opening in person.

The City of Los Alamitos proposes to construct curb ramps, construct sidewalk, and install detectable warning surface for ADA improvements at the Los Alamitos Community Center. In addition, the project will also include signing and striping. Existing curbs and private facilities will be protected in place within the limits of the project unless otherwise shown. Work shall be allowed to commence on June 4, 2020 following the notice to proceed, unless prior approval from the City Engineer is obtained. All work and site cleanup shall be completed by August 4, 2020.

Copies of the plans, specifications, and contract documents are available by appointment only from the City of Los Alamitos, 3191 Katella Avenue, Los Alamitos, CA 90720 upon payment of a \$15.00 non-refundable fee if picked up, or payment of a \$25.00 non-refundable fee if mailed. In accordance with the provisions of California Public Contract Code § 3300, and Business and Professions Code § 7028.15(e), the Agency has determined that the contractor shall possess a valid Class A contractor's license at the time that the contract is awarded. Failure to possess the specified license shall render a bidder's bid as non-responsive and shall bar award of the contract to any bidder not possessing the specified license at the time of the award. CONTRACTORS ARE REQUIRED BY LAW TO BE LICENSED AND REGULATED BY THE CONTRACTORS' STATE LICENSE BOARD. ANY QUESTIONS CONCERNING A CONTRACTOR MAY BE REFERRED TO THE REGISTRAR, CONTRACTORS' STATE LICENSE BOARD, P.O. BOX 2600, SACRAMENTO, CA 95826. At the time the contract is awarded, the contractor shall be properly licensed in accordance with the laws of this state. The first payment for work or material shall not be made unless and until the Registrar of Contractors verifies to the Agency that the records of the Contractors' State License Board indicate that the contractor was properly licensed at the time the contract was awarded. Any bidder or contractor not so licensed shall be subject to all legal penalties imposed by law including, but not limited to, any appropriate disciplinary action by the Contractors' State Board. Failure of the bidder to obtain proper and adequate licensing for an award of a contract shall constitute a failure to execute the contract and shall result in the forfeiture of the security of the bidder. (Public Contract Code § 20103.5) Bids must be prepared on the approved bid forms in conformance with INSTRUCTIONS TO BIDDERS and submitted in the envelopes provided, sealed and plainly marked on the outside:

"SEALED BID FOR COMMUNITY CENTER ADA IMPROVEMENTS SPECIFICATION NO. CIP 19/20-05

DO NOT OPEN WITH REGULAR MAIL"

The bid must be accompanied by a bid guarantee in the amount of 10% of the total bid by 11:00 a.m. ON THE DATE ADVERTISED FOR THE OPENING OF BIDS. More specifically, pursuant to Public Contract Code §§ 20170 and 20171, all bids for the project shall be presented, under sealed cover and shall be accompanied by one of the following forms of bidder's security in the amount of ten percent (10%) of the bid: (a) cash; (b) a cashier's check made payable to the City of Los Alamitos; (c) a certified check made payable to the City of Los Alamitos; or (d) a bidder's bond executed by an admitted surety insurer made payable to the City of Los Alamitos. Such security shall be forfeited should the successful bidder to whom the contract is awarded fails to timely execute the contract and to deliver the necessary bonds and insurance certificates as specified in the contract documents.

To the extent applicable, at any time during the term of the Agreement for the proposed project, the successful bidder may, at its own expense, substitute securities equivalent to the amount withheld as retention (or the retained percentage) in accordance with Public Contract Code § 22300.

Pursuant to California Civil Code § 3247, a payment bond is required to be submitted for all projects estimated in excess of \$25,000.00.

The Agency has determined that the proposed project is a public works subject to the provisions of Labor Code § 1720 thereby requiring the Contractor to pay the prevailing wage rates for all work performed under the Contract. The Agency reserves the right to reject any and all bids.
