ESOTERIC ASTROLOGY AS NEWS FOR WEEK DECEMBER 11 – 17, 2024

ADVENT, CANDLES, PREPARATIONS, MERCURY DIRECT, FULL MOON SAGITTARIUS FESTIVAL

Soon it's Winter Solstice (Sun in Capricorn, Dec. 21st), then Christmas and anukkah (25th) (both occurring the same day!). Then the new year begins (January 2025). 'Til those days arrive, we have Advent (light kindled in the darkness), days December dedicated to preparing for the new light of the new year (Winter Jackson).

Return).

Everyone is invited to join the New Group of World Servers for the Sagittarius festival meditation by contemplating on the Soul's meditative seed thought for Sagittarius, "I see the goal, I reach that goal, and then I see another." Let us ponder upon this seed thought each morning as we awaken and review our dily goals. During the day we visualize and then accomplish our goals. At night we see that the day was good. The next morning we see new goals appearing. This is the life and the ways of disciples that form the body of the New Group of World Servers. Join us, everyone.

dinner with friends, hanging lights, unboxing holiday decorations, finding more to trim the tree (Hanukkah bush, home) with, seeing relatives, phoning, sending emails, holiday cards (written by hand), having dinners – you love and cherish these festivities, looking forward to the beauty of the season all year. We wish we could join you. Maybe some year we will all be together. After forgiveness.

SCORPIO: For the next several weeks it seems a certain golden light is shining and shimmering around you. You will feel fortunate, capable, resourceful, wealthy blessed and emotionally supported. In terms of holiday gifts, don't run out and buy everything you fancy or everything that sparkles brightly, unless its for a loved one a loved one, a certain family member or friend. We always think of you as internal hidden, guarded and watchful. Give a little more for a while. Joy is the reason.

SAGITTARIUS: All parts of you are moving, active, energetic, hopeful (we hope) You also become a bit more impulsive, quick to anger, impatient, wanting thingy your own way (for a time). We see you as being more assertive, daring like ar ancient warrior. Your energy as a warrior makes you very attractive. However, be careful with everything – communicating, driving, walking running, using tools and implements. Careful with your energy. Beware of things red, hot and sharp (all of which, to some, you are). You're laughing. That's good. Caution.

CAPRICORN: You simply continue with needed tasks, not realizing you may be fatigued, possibly depleted of major nutrients and in need of quiet, calm and rest Whenever possible, take this holiday time to draw back, do less. You can still plar agendas and consider creative goals. However, don't act upon them immediately instead make health, rest, and well-being your central focus. Allow these thoughts to direct you for at least a month or two. Blend chia seeds in raw or oat milk, for probiotics and strength. Add a bit of chocolate, a banana and a date or two. Blend.

AQUARIUS: Everything personal

VIRGO: You're the light bearer to your family this year. Maybe you are every year, actually. You're the one who must make connections with them, one on one, one to the other, creating festivities of comfort and care and joy. You must begin to plan a large gathering so those who have no family can feel at home (where you are). You must merge realities that are disconnected and separate, unifying what is opposed, and synthesize all the parts and pieces. You love being given these tasks. These will be your holy accomplishments.

IJRRA: Reing out and about in gardens small gatherings and paidbacheods. LIBRA: Being out and about in gardens, small gatherings and neighborhoods, dropping in on neighbors, driving all around town to view holiday lights, having

There are four candles on the Advent Wreath. Each candle represents a kingdom mineral, plant, animal and human. All earth's kingdoms await the new solstice light. This week the plant kingdom candle is lit.

Advent is Latin for "adventus" which means "something will soon arrive!" referring to Winter Solstice, when the Sun enters Capricorn and its light turns northward. The dark half of the year ends and we enter once again (each year) into the light half of the year.

In these weeks we also prepare for two most important festivals of light, -Christmas (birth of the holy child, symbols for the Light of the World) and Hanukkah (miracle of light). This year both religious festivals (different developmental stages of thought) occur on December 25. Both are about preparation, (re)dedication and the kindling of light (hope, promise) in the world within the darkness (of matter).

The Astrology this week: Sunday, December 15, Mercury stations direct at 7 degrees Sagittarius. However Mercury remains in its retrograde shadow through the first week of January 2025.

Just after midnight Sunday morning the last full moon of 2024 appears shining brightly, a lantern in the night sky. December's full moon informs us it's time for the Sagittarius solar festival (24 degrees Sag). The archer's gleaming silver sword and his white steed leading humanity to the foothills of Capricorn (Initiation, Gate of Return).

ARIES: You're out and about, in and out, here and there in the world of people,
