HOROSCOPES

ESOTERIC ASTROLOGY AS NEWS FOR WEEK SEPTEMBER 17 – 23, 2025

THOU SHALT NOT KILL

Something is lacking in the news media in the reporting of the death and assassination of Charlie Kirk. It seems our people, especially some of the young people in our country have not heard of the 10 Commandments, especially the 6th Commandment - Thou Shalt Not Kill. The 10 Commandments are rules given to humanity from God on how to live with balance, harmony, kindness, love and care. They are the Rules of Law, securing humanity's ongoing evolution. Their adherence allows humanity to be civilized.

We saw in our country (and the world watched too) last week the killing of a young man named Charlie. He was a man who talked openly, discussed, debated and made contact with everyone. He knew that to talk kept the heart and mind open and "making contact releases love." This is a cosmic law.

Many of the young people who heard Charlie understood his message, followed him and joined Charley's organization, Turning Point. Now, a week after his killing, it seems Charlie's death actually has created a "turning point." To the young people Charlie was a was a harmonizer, peace maker and mentor. We see this clearly in his astrology chart - Libra Sun, Mercury, Jupiter.

And so, after Charlie was assassinated, the young people (and older one's too) shook themselves awake, and together, pledged to continue Charlie's message. How? By "becoming Charlie."

Instead of focusing on this heinous crime, Charlie's death gives us an opportunity to consider the 6th Commandment and then to ask what happens at death? Here are some answers.

Death is an ordered process (even if someone is killed). Death is an interlude. When the lessons of Earth (Mystery School) are learned, a Word of withdrawal sounds forth, stating the form (body) has served its purpose. The principle of mind organizes itself, upon hearing the Word (of return), and then repeats the word. And the waiting form (physical body, emotions, lower mind - personality) drops away.

And again words, "Well done thou good and faithful servant. Thou no longer needs the form. Your work complete, your watch over. Enter now into the Light." And the Soul stands free.

At death, the disciple returns home. A call ushers forth to be With the Light eternal, to transform into a Being of Light. The mysterious Beauty within us, our Spirit of Life, returns home once again. "See you in Valhalla, Charlie."

Upcoming: Autumn begins Monday September 22, 2025, as the Sun enters Libra. In the evening, the Jewish New Year

Monday night is the first night of Rosh Hashana (), the Jewish New Year, beginning ten High Holy Days (Days of Awe) before Yom Kippur (Day of Forgiveness). We enter the dark half of the year. A new season and rhythm for humanity begins.

We saw in our country (and the world watched too) last week the death of a young man named Charlie. He was a man who talked openly, discussed, debated and made contact with everyone. He knew that to talk kept the heart and mind open and "making contact releases love." This is a cosmic law. And so, after Charlie was assassinated, the young people (and older one's too) shook themselves awake, and together, pledged to continue Charlie's message. How? By "becoming Charlie."

In the face of a shocking tragic and very public death many of us ask, "What IS death?" Here are some answers. Death is an ordered process (even if someone is killed). Death is an adventure and an interlude. When the lessons of Earth (Mystery School) are learned, a Word of withdrawal sounds forth, stating the form (body) has served its purpose. The principle of mind organizes itself, upon hearing the Word (of return), and then repeats the word. And the waiting form (physical body, emotions, lower mind - personality) drops away.

At death, the disciple returns home. A call ushers forth to be With the Light eternal, to transform into a Being of Light. The mysterious Beauty within us, our Spirit of Life, returns home once again. "See you in Valhalla, Charlie."

Upcoming: Autumn begins Monday September 22, 2025, as the Sun enters Libra, sign of balance, harmony an interim where we encounter the crisis of choice. Shall we return to a previous identity and way of life (materialism)? Or shall we respond to the call of Discipleship (Scorpio)? Monday night is the first night of Rosh Hashana (), the Jewish New Year, beginning ten High Holy Days (Days of Awe) before Yom Kippur (Day of Forgiveness). A new season and rhythm for humanity begins.

ARIES: Below that risky and sometimes precarious behavior, there's a very generous spirit within you that emerges more and more in the coming times, especially as initiators are called for to help create the new era. You will feel more of the spirit of sharing, of comforting, loving and nurturing others. This is different for you. You will sense the undercurrents in everyone's heart and also in the world. You will understand vulnerability more, too. You begin to heal others. You remember.

TAURUS: More and more ideas and information come your way. You find yourself, for hours, absorbing data needed for the health and well-being of both the self and others. You store away useful information for future use, sometimes, if not already, considering attending naturopathic, herbal and natural healing school. You already bring much healing work in from previous lives. You reshape then share the information learned. You write and teach to those in need. You become the Messenger.

GEMINI: You are always Mercury, the swift-footed courier, Hermes. With Mars in Libra your sense of Goodwill becomes Right Human Relations which expands into pure unconditional love. You all of a sudden feel on solid ground, secure with knowledge which helps you make Right Choices. Now you need natural settings (nature, gardens, holy waters, temples), more comfort than usual, things artistic, too, reflecting spirit (golden life force) within matter... everywhere, always, all the time. Introduce yourself to the devas. Plant a rose garden.

CANCER: Many people admire your courage. Perhaps you don't think you're courageous. But you are. After always circling ideas, people, places, events, situations, etc. cautiously and tentatively (to see if it's safe), you carefully reach out to the edges of new experiences. You love all things new; yet seek all that's traditional to surround the new. Sometimes you're a trailblazer. Your cardinal energy enables you to bring knowledge forth that changes the course of life. Share everything.

LEO: Do you know the definition of empathy? Some people call empathy compassion or sympathy. What is it for you? In your heart what do you feel for yourself and others during these times? Do you feel your creative abilities are part of your daily work? In the months to

come you will sense a great depth of faith. What is faith? Esoterically defined, "Faith is the substance of things hoped for and the evidence of things not seen." Many people have faith in you and in your leadership. The other kingdoms (animal, plant, mineral) do, too. They love you. Leo is the heart of the new era.

VIRGO: You have an inner spiritual self that guides, guards and directs your life. You respect the many paths to God, knowing each one leads to God. You never allow your beliefs to shine brighter than others'. Stepping out into the unknown allows you to disengage from the acceptable and step into new, unusual, innovative and creative ways that bring forth the new world. Actually, the World Soul. New ideas and ideals gestate within, preparing you and the world around for autumn and then winter solstice.

LIBRA: You know exactly what you want and how to get it. You work hard, are wise, practical and resourceful. You set as a goal in your life the creation of permanent relationships, safeguards and structures. What are your choices based upon? What principles? Do you know the definition of the word "principle"? This is an important word to understand for the new Aquarian era. You seek tradition along with many alternatives. In all your success, seek above all the understanding of others. Offer loving kindness always. And forgiveness.

SCORPIO: You seek to place yourself where great knowledge and deep spiritual concepts and philosophies can be gathered, experienced and known. You will go slowly at first, and then leap into a new reality! It's important to travel to places with new customs, people, languages, food, depths of color and many arts. Study mountain climbing, horses, religions, archeology, and endurance sports. Begin a spiritual journey, a pilgrimage, across valleys, meadows, mountains and countries. They offer new states of possibility. Complete your journey in a monastery.

SAGITTARIUS: You will see more deeply into all things unseen, secret, buried unknown and hidden, seeking and sensing the inner essence of life. Use what you discover for the good, the beautiful and for deeper understanding. Realize you will may encounter in the upcoming year deep and transformative energies, intense and forceful, around you and from within. You must call upon your wisdom for direction. You seek mysteries, things sacred, expressions mystical and occult (heart and mind). Your original faith returns. You help others.

CAPRICORN: You hope situations become more stable and steady, moving toward a harmony so that there is a balancing of realities - creativity, family, friends, partnership, responsibilities. You weigh all options, poised in the middle of multiple worlds. You create harmony and beauty in your home. You turn your gifts into a profession. You seek to right wrongs. You are an artist. Do you know the original definition of yoga? And its many paths? Yoga is a path, a journey, a yoke of goodness. You are "yoga" itself.

AQUARIUS: It's important to maintain daily, weekly, monthly routines and rhythms so that you can feel efficient, effective and productive. These virtues actually reflect life values and standards. They allow you to expand your ability to help others without forgetting to care for self. Your Aquarian heart always asks, "How can I help?" You offer deep insights into already accepted systems, by adding the more spiritual approach. You are a server of humanity. Just a note: try not to be impatient these days. Observe more. Ask for questions. Listen.

PISCES: You seek to understand royalty these days. You see the past, the present and well into the future. You recognize a leader/royalty's responsibilities, the hope they must instill into their people as humanity relies on them. You realize the need for the right cultivation of thought, the use of compassion and the ability to maintain confidence - leadership qualities. You also know the need for play, celebration, art, theatre and politics and the right rhythms to renew your spirit. You see many paths on the road ahead. You choose the highest and brightest. Star filled.
