ESOTERIC ASTROLOGY AS NEWS FOR WESAK BUDDHA FULL MOON WEEK

WESAK TAURUS FESTIVAL - BUDDHA'S APPEARANCE IN THE HIMALAYAS

Every year (this year, May 1, 2026) at the Taurus solar festival (Scorpio full moon), a great blessing is bestowed upon humanity by the Buddha, Christ's brother. From the sacred realms of Shamballa, on the Taurus festival full moon day, the Buddha descends into the etheric realm of the Earth, appearing in the heavens above a sacred valley of the Himalayas. It is his great yearly sacrifice. At the moment of the full moon and for eight minutes after, the Buddha blesses humanity, the kingdoms and waters of the Earth. After the Buddha disappears, those present in the valley are offered a few sips of the electrified water gathered from a crystal bowl placed on a flat rock, near a clear running mountain stream. Christ, the World Teacher, the Masters and Teachers, and disciples together distribute the waters to a waiting and thirsty humanity.

Disciples stand in conscious alignment with the Buddha and the great Lives who serve the planetary Purpose. It is said that at this appointed hour, the Blessing of the Buddha descends, received and distributed by the Christ, and anchored through all who prepare themselves as vessels of goodwill, stillness, and loving intent.

Sacred energies reach our planet at the Taurus festival. These are new spiritual energies which produce an intensification and stimulation of all that is good. They produce the Will-to-Good, the Will-to-Love. The Forces of Illumination accompany the Buddha on his Wesak journey. There is thus an intensification of both the light and the dark, as all heavenly energies are neutral. We as disciples choose the light. We follow the Buddha's teachings with desire, aspiration, detachment and dispassion.

We implement these with intentions for Goodwill. We also follow the Christ's teachings. As disciples we understand all religions. We are now in Aquarius and our classroom is the stars and the heavens.

The Legend Begins: There is a green valley high in the foothills of the Himalayan-Tibet ranges surrounded by towering mountains. A narrow passageway to the north opens this valley to visitors. The southern part is wide and round, the place for pilgrims. All around are trees and shrubs and mountain grasses. Next to a running stream, a flat rock sits with a crystal bowl. (the story continues May 1 on Risa D'Angeles FB page and also on NLN - https://nightlightnews.org/daily-postings/) - Wesak festival film: https://www.youtube.com/watch?v=0t0Uo970-00

ARIES: Jupiter (planet of love/wisdom) calls you to participate in the leadership of the new culture and civilization. This great god provides you

with courage, inimitable daring and mental acuity and audacity to see far into the future and adapt and reorient your professional talents for the progress of humanity. You will resist being overbearing and arrogant, opposing virtues of a good leader. You will travel and your gifts will be recognized.

TAURUS: Through travel and involvement with many different cultures, you will learn how different countries are meeting the needs of their people concerning the coming world changes. Previously held beliefs and prejudices cease as perspectives expand. These experiences lead you to clear knowledge turning to wisdom. You will then bring needed change to your community. Think greenhouses, seeds, soil, food, fish, and algae, medicinals and foraging.

GEMINI: We must always begin with ourselves before offering change to the world. In coming months, a deep psychological self-awareness unfolds bringing healing to your past. This liberates your energy and creates an inner regeneration. You then will understand more deeply the suffering of humanity and apply your love/wisdom to their needs. Others will benefit from your beneficence. You will receive and then share a spiritual inheritance. Seven pathways unfold for you to consider.

CANCER: An inner need to help others grows internally each day. You ask how to best serve. Partnerships will be formed around the common themes of nurturing and caring for those less fortunate. You are to cultivate gardens, tend to animals, build stores of food, medicines, seeds, water and books for many arriving at a later date. For those who are married, attending to these tasks together enhances your original vows, hopes, wishes, needs and promises.

LEO: Realizing humanity is your marriage partner, you will openly and willingly offer creative and artistic skills as needs surface in the world. Especially for and among the young ones. As your true purpose surfaces you understand your own inner power, courage, strength and might. You will work hard to achieve balance and harmony for the kingdoms (earth, animals, plants, human) summoning you. Your health is vital. Lead with both power and love (power with).

VIRGO: More and more you become yourself, no longer dutiful and acting as expected but a new confident expression and creativity comes forth. You seek from the heart and thus will be useful to others. You are the sign of the mother who feeds the world. Your heart must be open to the world before you can attempt to nourish it. Think about gardens - biodynamic and hydroponic. And biologic architecture. Why are they useful for the coming times?

LIBRA: As the year unfolds, humanity will more fully seek peace and security, which will have to be found in different ways. Use your resources

to seek land, create community and provide a stable purposeful world for those close to you. Your usual generosity toward friends expands to include many more. Something new is coming to light in our world. You have the ability to create and sustain, to offer love and solace - psychological gifts soon to be deeply needed.

SCORPIO: Although you are considered the hermit of the zodiac, it will surprise you (and others) that in times to come you offer your presence to the world along with vital information needed. Your research into the coming times makes you more knowledgeable than most about the reorientation about to occur. Study and train in survival skills. Extended travel may be necessary, forging newly formed relationships. Mental limitations cease. A whole new world opens along with your heart.

SAGITTARIUS: You have been in training on using resources carefully and wisely. In the coming times, resources we've placed great importance on will dwindle and new resources will gradually become available. You will be very aware and sensitive to these new resources - how to find and obtain them. Then, because your compassion is developed, you will share and disperse them judiciously, managing the new materialism with intelligence and prudence. You lead the sharing society.

CAPRICORN: You sense, feel, know and understand a new cycle is appearing in our world and your inherent leadership, governmental, and democratic skills come to light. No longer hiding talents under propriety or childhood wounds, you become a resource for others in how to survive difficult physical and emotional challenges. You're ahead and at the top now, providing everyone with direction in constructing the new culture and civilization. There will be many ladders. You have fashioned lighted lanterns to be hung on each rung.

AQUARIUS: Deeply spiritual and religious dimensions will reveal themselves to you. Aquarians will become the new Aquarian ministers and the new scientists, eventually proving the Soul's existence. Empathy and dispassion grow along with keen observational abilities. You may help build the new Noah's Ark through writing and/or publishing, music, film and art. Humanity will seek comfort from the future you already know about and live in. Keywords: barter and creativity.

PISCES: You will gather the young ones into groups and teach many to have group goals, hope, ideals and wishes, all of which impact and grow the future. You will teach the new values needed on our planet that will create the new materialism (spiritually focused goals). You will not work alone. Many working beside you share your visions. Your communication and how you live will assist others in understanding the coming social reforms. You will build that community. It will appear from the sounding of the Ohms.

The undersigned or its predecessor caused said Notice of Default and Election to Sell to be recorded in the county where the real property is located. NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at

a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (855) 313-3319 or visit this Internet website www.clearreconcorp.com, using the file number assigned to this case 140175-CA. Information about postponements that are very short in duration

or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. NOTICE TO TENANT: Effective January 1, 2021, you may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call (855) 313-3319, or visit this internet website www.clearreconcorp.com, using the file number assigned to this case 140175-CA to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase.
